To Whom It May Concern:

I am writing this letter of reference in support of Ms. Ho Rui En Gabrielle in pursuing Diploma in Veterinary Technology at Temasek Polytechnic.

Gabrielle is an active member and volunteer of our organization Exclusively Mongrels Limited (EM). EM is a non-profit animal welfare organization founded in 2012, and has been rescuing, rehabilitating and rehoming street dogs since. Gabrielle has been actively participating in our various outreach projects and dog adoption drives since February 2019 at a tender age of 13.

As the director and chief coordinator of our members and volunteers, I have served as Gabrielle's supervisor in her capacity as a dog handler, rehabilitator and dog rehoming ambassador for the past 2 years. I have watched her develop into a confident and capable person, and she has become an asset to the organization in promoting animal welfare in Singapore.

Gabrielle is an extremely compassionate and responsible person. It is my understanding that she intends to eventually pursue a degree in veterinary medicine. Her superior interpersonal and organizational skills and more importantly, love for animals, especially the underprivileged ones, will bode well for her pursuit.

I know Gabrielle would bring so much to the school from all perspectives, and be an excellent fit. Please feel free to contact me at [drgan@dentalonthebay.com](mailto:drgan@dentalonthebay.com) with any questions.

Yours sincerely

Dr. Gan Theng Wei
